Please acquire a paperback copy of the book by the beginning of the semester (Fall 2018 or Spring 2019). You will need to have read Chapters 1-4 on President George Washington by the beginning of Unit #3 (Date: TBA). The book will have assigned reading throughout the semester with assigned individual and group assessments.

You may contact me this summer if you have any questions as I check email on a regular basis.

Thank you and I look forward to a great year!
